

JOHN FELIX IS CALLED BY DEATH

Was Resident of Newark For Nearly Three-Quarters of a Century—Was Gold Hunter.

John Felix, 86, one of Newark's oldest and best known citizens, passed away Sunday morning at his home in Pearl street. Death was due to infirmities of advanced years.

He was born September 15, 1833, in Cardiganshire, South Wales, and was the son of Daniel and Mary Felix. Of a family of nine he is the last to go. Coming to this country in 1859 he settled in this city until 1855, when he went to California during the gold rush, returning here in 1858, and in the spring of 1859 was married to Miss Elizabeth Rees.

The deceased was engaged in the contracting and plastering business in this city for more than 40 years, and was a lifelong member of the Welsh Calvinistic Methodist church. Two sons and four daughters survive: Frank J. Felix of Chicago, Ill.; Dan G. Felix of Pittsburgh, Mrs. Clarence H. White of New York City, Mrs. S. Gay Jones of Redlands, California, Mrs. Fred L. Jones of this city, and Miss Elizabeth Felix of the home. All of the children have arrived here. Six grandchildren and two great grandchildren also survive. Funeral services will be held Tuesday afternoon at 2 o'clock (Central time) in the home and interment will be made in Cedar Hill cemetery.

SON OF PERSHING TO VISIT HIS DAD

(Associated Press Telegram)
New York, April 7.—Secretary of War Baker arrived here today from Washington and went directly to the army pier at Hoboken to board the transport Leviathan for France. The Leviathan is to sail between 12 and 1 o'clock this afternoon but may be delayed by the heavy fog over the harbor.

Secretary Baker will be accompanied by C. W. Curren, the war department representative on the American Expedition commission, and his secretary, Stanley King. It is expected the secretary's stay in France will be brief.

Secretary of War Baker, Major C. Wallace of Tacoma, Wash., the new United States ambassador to France, 15 members of the house military affairs committee, and Warren Pershing, the 8-year-old son of General Pershing, accompanied by his guardian, Sergeant Wolf, were passengers aboard the steamship Leviathan, which sailed from here at noon today for France.

AUTO DRIVER DRAWS \$30 FINE MONDAY

Thirteen men appeared before Mayor Alderton in police court today, 12 charged with being drunk and one for investigation. Of that number, nine were from the city, one from the country and three from out of town. The drunks were given \$5 and the costs each and the one held for investigation was dismissed.

A citizen of Mt. Vernon was picked up in a dazed condition for giving exhibitions of fancy driving around the public square. He was taken to the police station and it was discovered he was driving the car belonging to a company officer, Knox county, which he had borrowed for a lark. He had \$25 on his person and was placed under bond and this morning was fined \$25 and the costs for driving a car while intoxicated and \$5 and the costs for being drunk.

WILL ENTERTAIN 37TH UNITS ON THURSDAY

(Associated Press Telegram)
Cleveland, April 7.—Late Wednesday, instead of early Thursday, will probably see the arrival here of Cleveland's two returning war units, the 145th infantry (the old Fifth Ohio National Guard) from Camp Mills and the 112th engineers, from Camp Stuart.

Even though one or both of the units arrive Wednesday, the parade will not be held until Thursday. It was announced this morning.

It was learned today that the seventy-two nurses of the Lakeside hospital unit, who returned from France last week, will leave New York today. Forty of the number are from Cleveland. It is expected the nurses will go directly to their homes, not wishing to participate in any formal reception here.

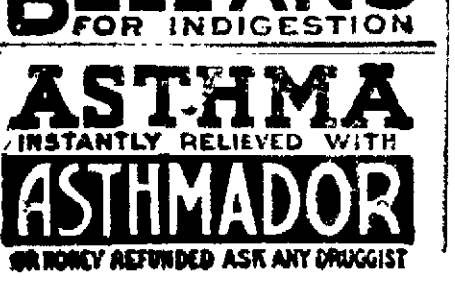

WARNS PUBLIC OF FAKE SOLICITORS

The incursions are warned to be on the lookout for fake solicitors. Chief James Sheridan requested one out of the city several days ago to do some work on women prisoners and others having relatives in the service, selling a cheap article at 200 per cent profit, claiming that the proceeds are for the benefit of some soldier or sailor organization when in reality it is for the benefit of the individual. A group of such men were in the city some time ago, neither having a service, nor wearing stripes on their arms, and openly boasted that they had received \$25 per day for each for six days spent in the city.

Paris (Lloyd George says) peace treaty will be ready by Easter.

BOWSER LOSES HANDICAP MATCH TO JAP MATSUDA

In a handicap match staged at Delaware Friday evening before 600 wrestling fans, Paul Bowser of this city lost when he failed to throw Matty Matsuda three falls within an hour. The clever little Jap put up the best exhibition of his career. It is said by those who know him and as a result Bowser only pinned his shoulders to the mat once within the time limit, using a headlock, after many spectacular twists and turns had been seen. Bowser stated after the match that Matsuda was worse than a greased pig to hold.

On Friday of this week Bowser is matched to meet Frank Burns of Flint, Mich., at Delaware and a number of fans from this city will accompany the champion. The Delaware Gazette states that Burns is within two pounds of Bowser's weight and that the Newark idol may be given a set-back in his great wrestling career. The match is being staged by Al Haft of Columbus.

ALLEGES HUSBAND'S MOTHER STRUCK HER

Two divorce petitions have been filed in probate court, one by Freda Queen against Dale Queen. They were married at Mt. Vernon, Dec. 10, 1915. The petition alleges that on their wedding day the defendant abandoned her and since that time her husband has failed to provide her with the necessities of life. She asks for a divorce and that she be restored to her former name of Freda Hendren.

The second petition was filed by Florence Stevens against Webster Stevens. They were married February 11, 1914, and are the parents of two children aged three and five years. The petition alleges that defendant has been guilty of gross neglect and extreme cruelty. She says that in January, 1919, the defendant deserted her and took the two children to the home of his parents that on April 2, when she called to see her children as she had been directed to do by the juvenile court, the mother of the defendant, in his presence, called her vile and indecent names and struck her and that the defendant made no effort to prevent his mother from doing so. She asks for a divorce, alimony and the custody of the children.

... and with the everyday man on the job

A fact:
At the Capitol Building in Washington, at the Waldorf-Astoria in New York and at scores of other such places—where you would naturally expect only high-priced cigarettes to sell—Fatimas lead in sales. But important as these sales are, they're but a "drop in the bucket" compared with the MILLIONS of Fatimas smoked every day by the big, plain, "you-and-me" public.

Leggett & Myers Tobacco Co.

FATIMA

A Sensible Cigarette

NOTE—Men who think and act at high tension appreciate a cigarette that leaves them feeling right. This quality, together with Fatimas' pleasing taste doubtless explains why Fatimas just seem to be the "right fit" for so many men.

GREAT FAIR IN PROSPECT THIS YEAR, BOARD OFFICIALS DECLARE

Unusual Interest In Cattle Department and Work of Girls' and Boys' Clubs Shown at Spring Meeting of Agricultural Society.

That Licking county will have the greatest fair in its history this year was attested Saturday by the interest manifested by exhibitors and stockmen present at the meeting of the board of directors of the agricultural society, to assist with suggestions in arranging for exhibits and in the revision of the premium list.

Officials of the Holstein, Jersey and Short Horn cattle associations of the county made short talks about the forthcoming fair and promised one of the best as well as the largest cattle exhibits ever seen at a county fair. They will have noted men here to judge the cattle, several of national prominence, and the board will necessarily have to increase its space to care for the many prize winners which will be shown to the public. New arrangements to be announced later will also be made for showing same in the speed ring.

Mrs. Gearheart, a field agent of the Ohio State University, has promised an exhibit of Girls' club work from the county. She already has organized nearly 200 Licking county girls in the work and their exhibit this year promises to excel anything ever attempted in that line before. A week's trip to Columbus during the farmers' congress next winter, with all expenses paid by the fair board, will be the first prize in Girls' club work, and in addition there will be four cash premiums.

County Agent L. L. Mowls spoke for the boys. He has been very active in that work and already many clubs have been formed over the county. The boys' judging classes will be well worth seeing and the fair board will give the winner of the first prize a free trip to Columbus for a week with all expenses paid. For cash prizes will be given in addition, but that is not all as the banking institutions of the county and business firms will give additional premiums.

The educational exhibit this year will surpass all previous efforts and Superintendent N. D. Wilson has interested all district superintendents of the county with the result that nearly all schools will participate. The exhibit will include work never before seen and hundreds of people are eagerly preparing for the forthcoming educational exhibit, the former premiums having been doubled this year.

There will be no racing Tuesday neither will any admission be charged. The racing program adopted Saturday includes three races Wednesday of fair week, four on Thursday and three on Friday. All purses to be for \$250 with some concessions made to the horsemen and which will be announced later. On Wednesday there will be a 213 pace, a 225 pace and a 230 trot. On Thursday a 215 trot, 215 pace, 230 trot and a free-for-all pace. On Friday a 218 trot, 230 pace and a 224 trot.

On account of the increased cost in the operation of the fair and in accordance with the resolutions adopted at a state meeting of fair managers held at Columbus, it was found necessary to make an increase in the cost of admission, raising the price from 25 to 35 cents for each person and vehicle. It was pointed out that the board has found it necessary to advance the wages of all employees and laborers on the ground and is compelled to pay an average of 33 1/3 per cent for its printing and the advance in price was a necessity. In some counties an admission of 50 cents is charged.

The special attractions this year will be better and larger than ever before. Secretary Harry D. Hale is endeavoring to secure a government war exhibit through the department of agriculture and has been assured that if any such exhibits are sent to other than state and tri-state fairs, Licking county will have due consideration.

President M. C. Harter, who is serving his first year in that office, although on the board for several years, stated at the close of the meeting that from all indications Licking county would have the greatest fair in the history of the county and that in his opinion with favorable weather the grounds would be crowded to capacity with Licking residents and their friends and relatives in a great homecoming, all anxious to witness the magnificent industrial and agricultural exposition.

Good Tobacco Defined by a Union Factory Man

The pipe smokers will be interested in the fact that a man from one of the big tobacco factories, who is now in town to help make more folks acquainted with it, says: "Ever notice how good natured most pipe smokers are? They simply can't get about anything when they've got their little old pipe primed with a good brand and drawing good."

"What is a good brand, do you say? Well, that's a problem that some fellows waste a lifetime in solving. They don't realize what they want—but I'll tell you the answer. If they're not working outdoors and smoking outside the time, they want a good, mild smoke. They're sure to sour on their pipe sooner or later if they try to smoke an 'outdoor' tobacco inside the house or office."

"Tobacco has to be mellowed by 'aging' before it's right. Down at our plant, Honey-moon is stored away three or four years and all the 'newness' that bites your tongue and sandpapers your throat is cured out."

"It's the strong tobacco that saturates the furniture of your home, and your clothes. That's why a good mild tobacco is a favorite with the housewives, as well as the smoker. Another thing—it adds to the enjoyment of a smoke if you know it's made in a sanitary, up-to-date plant. Cheap labor is all right for some things, but not for tobacco. Honey-moon is made in a plant at any time, and see the class of people that fix up Honey-moon tobacco for you. This is the reason why the Union Factory Man has found uniformed employees around the plant, and clean floors and benches, and the best of lavatory equipment."

"It pays to get out a good tobacco. I am greatly pleased with the way people in this town are going after Honey Moon. It deserves their patronage because it's a big value at the larger size 15c. Go to your tobacco store—get Honey Moon—try it out. Satisfaction or money back."

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

IDEAL heat renews old homes

Remodeling of buildings should begin in the basement. Next time you see alterations being made, note what material is saved—or thrown out! You will find the tin and sheet iron heating devices go to the dump heap—but you never see IDEAL Boilers and AMERICAN Radiators thrown out that way. They make a building always new—and never wear out or lose efficiency. When IDEAL heated buildings are remodeled, extra sections and more radiators are added to furnish the additional heat needed—the building stays in the same desirable class for rental or sale. IDEAL Heating Outfits are, therefore, a long-lasting investment—not an expense!

AMERICAN & IDEAL RADIATORS & BOILERS

These outfits guarantee you a lifetime of heating comfort and fuel economy!

"The just eviction" "Shake out the old put in the IDEAL"

IDEAL Boilers and AMERICAN Radiators enable you to get not only the greatest possible volume of heat and therefore the utmost value from your coal, but these outfits guarantee perfect distribution and control of that heat! No "cold side" to the house. No drafty floors!

The greatest money saver in a building is IDEAL heating

If you have a building to rent or to sell, you'll find it a splendid talking basis to say: "It's heated with IDEAL Boilers and AMERICAN Radiators." It means that the tenant will be glad to pay 15% more rent because of the comfort, health protection, convenience, cleanliness, and fuel economy he will experience, or in selling you get back the full price paid for the outfit, which does not rust out or wear out.

Don't go through another Winter without remodeling your home, store, flats, shop, school, or church to the extent of enjoying the comfort and fuel saving of IDEAL-AMERICAN heating! Put quickly in old or new buildings. Ask for free book "Ideal Heating." Let us serve you now.

Built-in, genuine Vacuum Cleaner—iron suction pipe runs to each floor.

We also make the ARCO WAND Vacuum Cleaner connected by iron suction pipe to various floors of houses, flats, schools, churches, hotels, etc. Through a light-weight hose ALL the dirt, cobwebs, lint, threads, motths, etc., are drawn with lightning rapidity down the iron piping into big, sealed dust-bucket in cellar. No dragging around a clumsy, inefficient portable cleaner—instead, you have a practical outfit that is part of the building—like radiator heating. Ask for catalog—it does not obligate you to buy.

Nerv-Worth and Nerv-Worth Laxative Tablets. Pulls Forceful for Strong Nerves and Good Health.

These two have marked value at this time of the year when the system is winter-weakened; and in this particular springtime when to debility engendered by winter, there is an extra burden of nervous disorder engendered by influenza, with a serious lowering of nerve force.

A bottle of Nerv-Worth and a 25-cent box of Nerv-Worth Laxative Tablets form a combination without equal in restoring nerve force by making out the weakened nerves and by building up the entire system. The tablets are especially valuable in cleansing the bowels for those whose habits of constipation do not quickly yield to the laxative properties of Nerv-Worth liquid. Your dollar back if Nerv-Worth does not do for you what the foregoing claims it will do.

Question—Can a 100th of an Inch Paint Film Give Protection?

Answer—It Can, provided

The specific paint is used for a specific purpose

More paints go wrong because the wrong paint is used than because there is anything wrong with the paint.

This paint film, less than a 100th of an inch thick, held in our friend's hand, is made of a primer and second coat of **Low Brothers High Standard Liquid Paint**.

After two months, this thin film is as flexible as a sheet of rubber, and as impervious to moisture.

Its flexibility insures it against expansion and contraction cracks.

The surest way to avoid painting troubles is to use paint like **Low Brothers High Standard Liquid Paint**. We recommend it.

Wall Street.
New York, April 7.—Traders evidently were disposed to place a favorable interpretation on events over the week-end, especially the reported progress toward an agreement on the peace treaty, and prices at the opening of the stock exchange today rose accordingly. Gains of 1 to 3 points in the first half hour were impartially distributed among Shippers, Motors and their specialties, also Leathers, Sugar, Tobacco and Petroleum and Chemical issues. United States Steel advanced a point, but leading rails held within restricted limits. Rails were the only important stocks to lag in the further advance which promised to carry the day's total well beyond 1,000,000 shares. Some specialties achieved highest quotations of recent years and many were at top levels for the movement.

Conspicuous features included among International Corporation, Motors, affiliated Equipments, high and low-priced (915), American Sugar, Cuba Cane Sugar, Hide and Leather, preferred, and Industrial Alcohol at extreme gains of 1 to almost 5 points. United States Steel rose 1 1/2 points, but shaded fractionally on realizing sales.

Chicago Grain Review.
Chicago, April 7.—Corn showed considerable weakness today, but rallied when the facts developed that country offerings although of liberal volume were mostly held above the market. Opening prices, which ranged from 1.56 to 1.32c lower, with May \$1.55 to \$1.56, and July \$1.47 to \$1.47 1/2, were followed by upturns that in some cases reached well above Saturday's finish. Oats, like corn, quickly showed an oversold condition. After opening 3-8c off to 1-8c advance, with May 63 1/2 to 67c, the market underwent a moderate general sag and then scored a material advance. Provisions were dull but firmer in sympathy with hog. The live animals rose to a new top level for 1919.

Chicago Produce.
Chicago, April 7.—Butter, lower. Creamery 55 1/2@56 1/2. Eggs—Receipts 23,037 cases. Firsts 29 1/2@30; ordinary firsts 28 1/2@29; 2nds at mark, cases included, 28 1/2@29; storage packed firsts 42 1/2@43 1/2. Poultry—Alive, steady. Springs 33c; fowls 36c.

SALOONS CLOSE SATURDAY, MAY 4
Licenses Expire at Midnight and State Prohibition Amendment is Effective on Monday.

A great many people are under the impression that the saloons of the state are to close their doors on Monday, May 26. This is a wrong interpretation of the law according to local county officials who state that liquor licenses are operative on the morning of the fourth Monday in May and become void at midnight the Saturday preceding the fourth Monday in May, as a consequence of which saloons will go out of business at that time.

"DIG UP YOUR MONEY"
James T. Hardy, publicity secretary of the Oil City, Pa., Fifth Victory Loan, dashed off a parody on "Back Up Your Troubles in Your Old Kit Bag" at the meeting of publicity secretaries in Cleveland a few weeks ago and the singers present rendered it while it was yet warm. Here it is:
Dig up your money from your old kit bag
And buy bonds, buy—
While you've a nickel left to back your flag
Buy bonds, that's the style.
What's the use of questioning?
It's taxes or a loan, so
Dig up the shekels from your old kit bag
And buy bonds, buy.

ADAMS FAMILY FUND NOW \$117

Donations to Stricken Family Grows Rapidly Under Stimulus of Fenberg's Appeal.

Manager Geo. M. Fenberg of the Auditorium were a happy man last night after the second showing of "The Fight for Love," when the crowd, after an appeal by Geo. H. Hamilton contributed \$72.60 toward the fund which Fenberg is raising for the family of the late Henry Adams, consisting of a wife and nine children. The fund now totals more than \$117.

Manager Fenberg called up Hamilton late in the afternoon and requested him to make a talk to the crowd in the evening. When Hamilton appeared the house was packed. He made a splendid address at the end of which \$72.60 was collected.

The fund which Manager Fenberg is raising will be greatly augmented by the benefit which he is giving at the Alhambra and Auditorium theatres Tuesday when a percentage of all the receipts will be added to the same. In addition Fenberg headed the fund with a subscription of \$25. Any charitably inclined person desiring to contribute can do so by calling at the box office of either theatre.

The money raised will be placed to the credit of Mrs. Adams for the support of her family, and whose husband died last week as the result of blow on the head suffered during a quarrel. The fund being raised for Mrs. Henry Adams, the death of whose husband last week leaves to her the care of nine children, is growing nicely having passed the \$100 mark.

A subscription list placed in the lobby of the theatre contains the following contributions:

- Geo. Sprague \$25.00
- L. S. Pemberton 1.00
- A. G. Smith50
- H. H. Hale 1.00
- Howard Rugg 1.00
- Harry McGarr 1.00
- S. E. Moore 1.00
- Prof. Wm. C. Schmidt 1.00
- L. Scholz 1.00
- Unknown 5.00
- C. Thompson25
- R. E. F.50
- Cash50

Remittances sent to the Advocate for the Adams fund will be given to Mr. Fenberg.

DO YOU WANT PINK CHEEKS?
When a woman's color fades, when her cheeks and lips grow pale and she gets short of breath easily and her heart palpitates after slight exertion or under the least excitement, it means that she is suffering from thin blood. Build up the blood and it quickly brings brightness to the eyes and puts color in the cheeks and lips. A treatment that will do this is recommended by Mrs. R. A. Tarr, of No. 33 Custer avenue, Youngstown, Ohio.
"I was very pale," says Mrs. Tarr, "in fact my face was white. I was so weak everything seemed to worry me and I was cross and irritable. It seemed as if I could sleep all the time. My eyes and head would ache terribly and my stomach troubled me."
"A friend of mine who had used Dr. Williams' Pink Pills with great benefit recommended them to me and I noticed an improvement after using the first box. I have taken three boxes and my color is good. I am much stronger and my sleep rests me. My appetite has returned, my digestion is good and I have new ambition. I have recommended Dr. Williams' Pink Pills to several and shall always be glad to say a good word for the remedy."
This tonic treatment is useful in dyspepsia, rheumatism, anemia, and nervous disorders. In many cases it is the medical treatment that is required. As a tonic for growing girls Dr. Williams' Pink Pills meet every requirement of the most careful mother.
Dr. Williams' Pink Pills are sold by all druggists, or will be sent by mail, postpaid, on receipt of price, 50 cents per box; six boxes, \$2.50, by the Dr. Williams Medicine Co., Schenectady, N. Y. A booklet, "Building Up the Blood," will be mailed free to any address upon request.

EDWARD KIBLER IS LAID TO REST

Funeral Service at Home Is Attended by Many Out-of-town Friends of Prominent Lawyer.

Funeral services for Hon. Edward Kibler were held this afternoon at 2 o'clock in the home in Granville street. Rev. Calvin G. Hazlett of the First Presbyterian church officiated. Interment was made in Cedar Hill. The members of the Licking County Bar association who acted as pallbearers were R. G. Smythe, Carl Norpell, J. A. Flory, John M. Swartz, Charles W. Montgomery and Frederick M. Black. Two daughters, Mrs. Robinson of Chattanooga, Tenn., and Miss Elizabeth Kibler of Wellesley, Mass., and a son Dr. Charles Kibler of Hattiesburg, Miss., and his sister Mrs. W. W. Neal, who was en route south, were here. Out of town friends of Mr. Kibler who attended were J. H. Harris of Cleveland, Norman C. Lapp of Canton and C. L. N. Niles of Toledo.

Among the Mr. Vernon lawyers who attended the service were William M. Koons and Paul M. Ashbaugh.

The following resolutions were adopted at a meeting of the members of the Licking County Bar association held Saturday in the court room:

"Whereas the band of death has touched our brother at the bar, Edward Kibler, Sr., and
"Whereas in his taking away the bar of Licking county and the state of Ohio, have suffered a great loss and our community has been deprived of the inspiration and service of one of its ablest and most upright citizens.
"Therefore be it resolved by the bar of Licking county:

"That we bear testimony to the ability, honesty, courage, patriotism and devotion of Edward Kibler, Sr., to his family, his friends, his community, his profession and to his state and nation; to his kindness, his readiness to help his brother lawyer, to his faithfulness to every trust; to his loyalty to his client and to his adherence of the highest ideals of the ethics of our profession.

"That we further resolved that a copy of these resolutions be entered upon the journal of the Common Pleas court of Licking county, and a copy likewise be given to his stricken family to carry out in deepest sympathy to its members in this hour of sorrow."

The resolutions were drawn by a committee composed of A. A. Stasel, Frederick Black and Charles W. Montgomery.

KNOX CO. BAR HAS PRAISE FOR MR. KIBLER

The Knox County Bar Association Saturday adopted resolutions on the death of Hon. Edward Kibler and arranged for a committee to attend the funeral. The resolution declared that the loss of the state and country had suffered a serious loss in Mr. Kibler's death. The resolution says: "While we were not as closely associated with Mr. Kibler, as the bar of his home county, yet through his many visits to our city and court on professional business, we have learned to know, love and admire him. He was a lawyer of great ability, with which was combined a charming personality and a courtesy that was delightful. He was a splendid advocate and was recognized as one of the leading lawyers of the state."
"The bar of Licking county and Ohio has suffered a serious loss in Mr. Kibler's demise and we take this action to place upon the records of our courts this testimonial of his great worth, his sterling integrity, his splendid ability, and his unselfish courtesy to the courts and his fellow practitioners."
"We recommend that this memorial be spread upon the minutes of the court and that a copy be sent to his bereaved family."
The resolution was drawn by attorney Robert E. Carr, E. O. Leveing, Wm. M. Koons, members of a committee appointed by the Knox County Bar association.
Following the adoption of the resolution remarks were made by Attorney Robert E. Carr, Judge Park B. Blair, Hon. William M. Koons, Judge Lewis B. Houck, Judge Frank O. Leveing and E. C. Stillwell.
A committee from the Knox county association will attend the funeral.

FREE TICKETS TO THE MOVIES HOW IT'S DONE

Among the classified advertisements on page 8 of today's Advocate may be found three names in announcements like this:

John Jones, 247 Grandwood avenue, call at Advocate for two Auditorium or Alhambra theatre tickets.

It means that the Advocate has two "movie" tickets for Mr. Jones and that Mr. Jones has only to call at the office to obtain the admission tickets.

The tickets will be held for 15 hours after date of publication. There is no string attached to the proposition and the tickets are good for first class admission to the Alhambra or the Auditorium without any charge whatever.

Three such announcements appear in today's Advocate among the classified ads. It means that each of these three people will be given two free tickets.

Tomorrow's paper will contain three more names, so will Wednesday's, Thursday's, Friday's and Saturday's papers. It may be that the same arrangement will be continued for some time. Look at the classified page right now. May be your name's there. If so, your name your friend's name may be there and perhaps your friend will invite you to share the tickets.

IF MOTHERS ONLY KNEW

During these dark days many children are coming down with colds, sore throats, stomach troubles and are quite hoarse. If mothers only knew what Mother's Own Expecto-Rant would do for them, they would not let their children be bothered by these troubles. These troubles are caused by a cold, a sore throat and a hoarse voice. In their action, these troubles also come from the fact that the children are not getting enough of the fresh air and sunlight.
